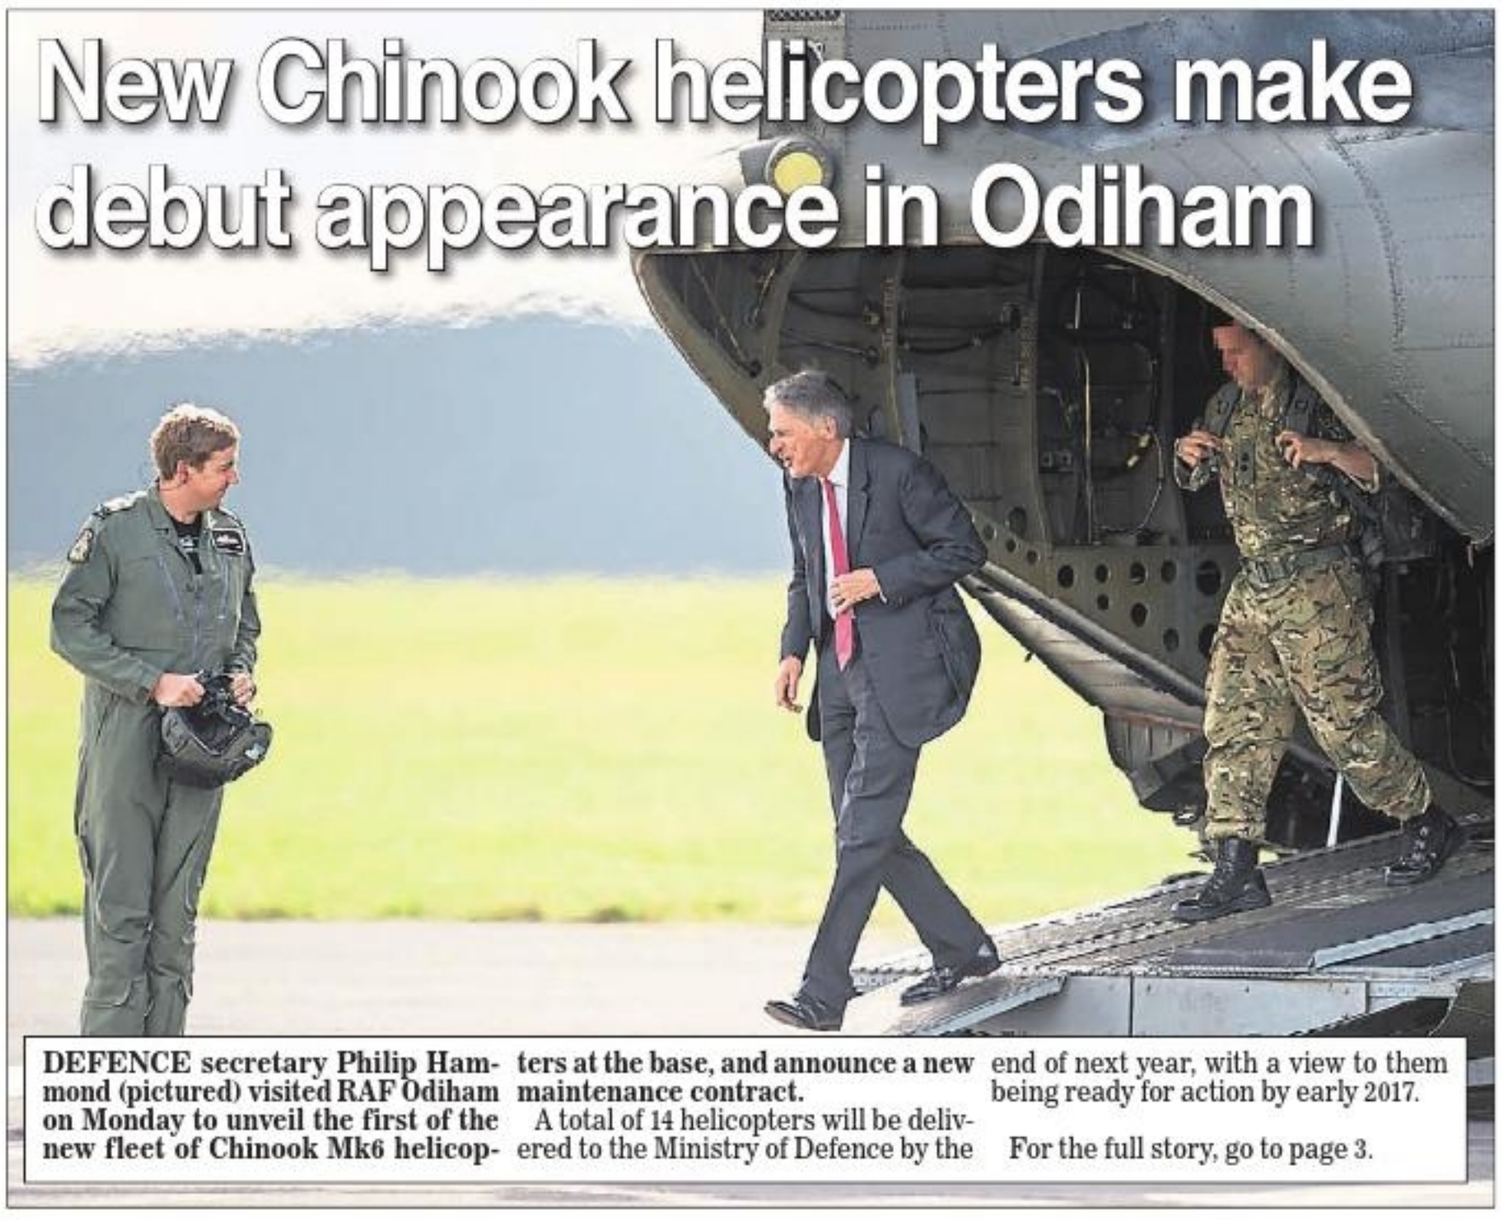
WIND FARM IS TURNED DOWN



New Chinook helicopters make debut appearance in Odiham

DEFENCE secretary Philip Hammond (pictured) visited RAF Odiham on Monday to unveil the first of the new fleet of Chinook Mk6 helicopters at the base, and announce a new maintenance contract.

A total of 14 helicopters will be delivered to the Ministry of Defence by the end of next year, with a view to them being ready for action by early 2017.

Plans for Bullington Cross site rejected

By **Adam Flinn**
news@basingstokeobserver.co.uk

COUNCILLORS rejected proposed plans for a wind farm to be built in Bullington Cross at a meeting on Monday night.

Representatives from Basingstoke and Deane, Test Valley and Winchester decided not to give permission for the turbines, after they were recommended for refusal by planning officers.

A number of reasons were given for the refusal, including them being a danger to air traffic, effects on wildlife and concerns over the look of the turbines.

EDF Energy Renewables (EDF-ER) wanted to build 14 turbines on land near to the junction of the A34 and A303, on land covered by the three councils.

Four of the turbines would have fallen within Basingstoke and Deane, with seven in Winchester and three in Test Valley.

The wind farm had a mixed response from residents in Basingstoke and Deane, with 1,431 comments for the plans submitted to the council, and 1,329 against.

Jonathan Levy, spokesman for EDF-ER, said: "We are naturally disappointed at the decisions taken by the councils involved.

"We firmly believe the Bullington Cross site is an excellent location for a wind farm and one that has potential to generate significant benefits to both the local community and economy.

"We will now carefully review the grounds for this decision and consider our options going forward."

One of the groups who supported the turbines was the Hampshire Renewable Energy Co-operative.

It's director, Martin Heath, said: "Clearly this is a great disappointment to us and to the many volunteers that helped us out over the past 13 months.

"We will be encouraging EDF-ER to appeal."

Basingstoke and Deane's Development Control Committee refused the application by seven votes to five.

A statement released by the council said: "While each individual authority had to reach a decision on their own planning applications, it was agreed that a joint committee meeting would be held to hear all three applications at one time.

"The outcome was that all three councils refused the applications they were considering."

Summit for Top of the Town talks

BUSINESSES are to get an update from Basingstoke and Deane Borough Council on its efforts to improve Top of the Town at a 'one year on' summit next week.

By **Adam Flinn**
news@basingstokeobserver.co.uk

Town centre business owners will be invited to the summit, to be held at Proteus Creation Space on Council Road next Tuesday afternoon.

They and the council will discuss the Basingstoke Town Centre Programme, which was launched in 2013 to bring improvements to the area.

It hopes to make the Top of the Town area economically vibrant, and help traders with the challenge posed by online and out of town shopping options.

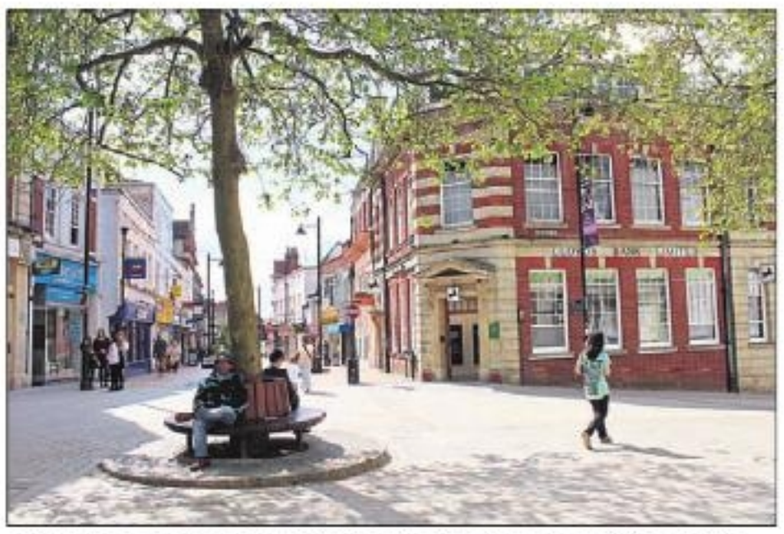
Schemes under the town centre programme so far have included the Eat Street food festival, refurbishing the market place and a shop front grant scheme to encourage visual improvements.

The summit will also include information from experts about business improvement districts (BIDs), which sees business-led bodies set up to improve a defined commercial area.

Businesses will also be able to speak with others, share their views about the town centre and listen to the latest plans.

Terri Reid, the council's cabinet member for housing and regeneration, is leading the town centre improvement plan.

She said: "This is an exciting time for our town centre with a whole raft of new initiatives and projects underway.



• Businesses are being invited to discuss Top of the Town

"I encourage all interested business people to come to the summit and find out how we can work together to benefit the area and local ventures."

The summit is free to attend. Businesses can pre-register by emailing towncentre@basingstoke.gov.uk.

Festival is raring to go, with a wide mix of entertainment on offer

THE annual Basingstoke Festival begins tomorrow, with a diverse mix of theatre, music and comedy set to take over the town for the next three weeks.

This is the third year the festival will be held, and takes place at a range of venues across the borough.

More than 100 events have been arranged for this year's programme, which ends on July 13.

Comedy at the festival sees Dawn French take to The Anvil stage for a one-woman show about her career on July 2, while Britain's Got Talent's Steve Hewlett comes to The Haymarket on Saturday.

The Basingstoke Symphony Orchestra will be performing at the weekend, while the Tea Bar will be host to different musicians and bands each week.

And the festival comes to a close with Basingstoke Live, which will feature more than 100 live music acts playing across five stages on July 12 and 13 in War Memorial Park.

A full list of events, as well as booking details, can be found on the festival website: basingstokefestival.co.uk.

Thieves target Lychpit vehicles

POLICE are looking for witnesses after a number of vehicles were broken into and a car stolen in Lychpit and Old Basing.

Overnight on June 9 and 10, offenders broke into seven different cars in Cowslip Bank, Crofters Meadow, Saxon Way, Little Basing and Pimpernel Way, and stole electrical goods.

A blue Volkswagen GT FSI was taken from Cowslip Crescent after thieves broke into a house and stole the keys.

PC Mike Ahearne said: "I would like to hear from anyone who saw anything suspicious in the area at the relevant times or who has any information about these crimes.

"I would also like to remind people to remove all valuables from their cars when they park up for the night."

Anyone with information is asked to contact PC Ahearne on 101.

Tea for carers at Tadley store

LOCAL care groups were invited to a Tadley supermarket from June 9 to 15, to raise awareness of the work as part of Carers Week.

Representatives from Loddon Valley Day Care, Helping Hands for the Blind and The Princess Royal Trust spoke to customers at the Sainsbury's store, on Mulfords Hill.

Carers were also offered afternoon tea in the store's cafe during the week.

Promoting independent living

A NEW team has been set up by Hampshire County Council to help older people live independently by providing them with short term care when needed.

The Reablement and Assessment of Care Team (REACT) service will support those returning home from hospital or experiencing change in their care needs.

Carers would then encourage independent living, to prevent them from relying on long-term help or having to go into a care home.

A pilot scheme of REACT has already seen 50 per cent of people receiving support from the team needing no long-term care.

Liz Fairhurst, executive member for adult social care and public health, said: "Reablement helps people learn or re-learn those skills and coping mechanisms for daily living lost through a deterioration in health.

"REACT is part of our wider work to transform adult social care to better meet the needs of an ageing population.

"We know that most people want to live as independently as possible, for as long as possible, in a home of their own, which is why we are investing in services like REACT."

RAF's new helicopter unveiled at Odiham

THE RAF's first new Chinook Mk6 helicopters were unveiled by defence secretary Philip Hammond at RAF Odiham on Monday.

By **Adam Flinn**
news@basingstokeobserver.co.uk

Fourteen new helicopters will enter active service, meaning there will be a total of 60 Chinooks in the RAF fleet.

They were ordered as part of a £1bn programme in 2011, with the first three being delivered to the RAF before they start training in the UK.

As well as the unveiling, Mr Hammond also announced a £115m agreement with Boeing Defence UK to maintain the Chinooks' engines, expected to reduce costs by more than £20m.

"The strategic importance of the Chinook Mk6 should not be underestimated," said Mr Hammond.

"These helicopters will provide a significant uplift in helicopter capability operating as the battlefield workhorse of the RAF on the frontline for decades to come.

"The new aircraft are part of an £11bn investment that will sustain truly world-class capabilities for the UK Armed Forces." he added.

RAF Odiham's air chief marshal Sir Andrew Pulford said: "The Mk6 represents the pinnacle of the RAF's heavy lift capability and is the most advanced Chinook helicopter we have ever operated.

"These aircraft have proved themselves time and again on operations, most recently in Afghanistan, and the new Mk6 will ensure the Chinook fleet continues to play a key role."

All 14 helicopters are expected to be delivered to the Ministry of Defence before the end of 2015, and should be fully operational by early 2017.

Adrian Baguley, the Ministry of Defence's director of helicopters, said: "The Chinook Mk6 has been delivered into service on time.

"This has been achieved through the excellent work of Defence Equipment and Support working together with our industry suppliers to deliver this exceptional new heavy lift helicopter capability for UK defence."

Chicken warning

RESIDENTS are being warned not to wash raw chicken during National Food Safety Week this week.

Four in five cases of food poisoning called campylobacter come from contaminated poultry – including washing it, which spreads germs.

Basingstoke and Deane Borough Council's cabinet member for community services and the environment Hayley Eachus said: 'It's important for residents to be aware of how to prepare food in the best way to avoid illness."

CCTV image released of attempted Tesco robber

POLICE are searching for two men after they attempted to rob a convenience store in Basingstoke last Friday.

The offenders walked into the Tesco Express store on Oakridge Road at around 11pm, and threatened a staff member with a knife.

They fled the scene empty handed after the shop worker shouted for help.

Shortly afterwards, a man ran towards a couple in a threatening manner on Priestley Road, which police believe may be linked to the attempted robbery.

Detective constable Simon Quickfall said: "I would like to hear from anyone who has information about this incident.

"We have CCTV of the incident and although you cannot see the face of the offender, he is wearing a pair of gloves that you may recognise as belonging to someone you know.

"A witness left his details with staff at the shop but these details were lost. If this was you, please call police."

One of the men was described as slim build, 5ft 7in tall, and was wearing a dark coloured hooded top with the hood up, a white t-shirt and a face mask.

Anyone with information is asked to call 101.

Skier honoured for work with wounded soldiers

A FORMER Basingstoke soldier has been recognised by the Queen for his work teaching wounded soldiers to ski.

Les Pond, 44, was honoured with a British Empire Medal in the Queen's Birthday Honours and Awards List announced on June 14.

He has taught dozens of soldiers, sailors and airmen and women who have suffered life changing injuries or illnesses how to ski in Austria through adaptive skiing.

By **Katriona Ormiston**
news@basingstokeobserver.co.uk

Adaptive skiing means people who have lost limbs can ski using varies techniques and equipment and acts as a sports rehab for the wounded.

Mr Pond, who went to Harriet Costello Secondary School in Crossborough Hill, has since moved to Bavaria in Southern Germany.

The dad-of-two said: "I am shocked and surprised by the award but obviously delighted.

"I was fortunate enough to participate in a great deal of skiing during my time in the Army.

"I have been delighted that I have been able to put something back into it , especially with those people suffering from some kind of impairment.

"There is a lot of hard work that goes with Adaptive skiing, but when you see the smiles and the enjoyment at the end of the day, you know it is all worth it."

Mr Pond launched an adaptive ski scheme and was instrumental in developing a cohort of instructors needed.

The Battle Back ski programme sees groups of wounded, injured or sick personnel attend a course to learn to ski either as a complete novice or as someone who has previously skied and now has to adjust their skiing as a result of their condition.

He joined the Army in 1986 as a junior leader recruit in the Royal Engineers at Old Park Barracks in Dover and joined the regimental ski team.

He was later posted to 35 Engineer Regiment in Hameln in Germany for nine years where he continued skiing and competed at Army and inter services level. On leaving the Army in 1997 he joined the staff of the Alpine Training Centre in Bavaria where he still works and lives with wife Birgit sons, Liam, 13, and Luke, 11.

His mother Vera and father Fred still live in Basingstoke with his brother Steven.

Colonel Nick Richardson, Commander of the Army's Adventurous Training Group said: "It is clear that the services adaptive ski scheme would not exist in its current state without the ability, drive and efforts of Les Pond.

"I first met him in 1986 when he was a novice skier and his talent was very apparent.

"All that knowledge and experience he has gained from his career has been put to good use.

He was one of 1,149 recognised in the Queen's Birthday Honours last week including Hollywood actress Angelina Jolie for her work to end sexual violence in conflict, and Actress Dame Maggie Smith.

ALSO recognised in the Queen's Birthday Honours:

Lady Louisa Caroline Portal, from Basingstoke. For services to music and scouting in Hampshire.

Joanna Mary Whelan, from Alton. Deputy chief executive of the Government's Debt Management Office. For services to Public Finance.

Michael Demster Brook, from Overton. Senior officer and digital education service designer for the Government's HM Revenue and Customs. For services to Tax Work.

Susan Jane Westlake from Alton. Vice-president of Women's Royal Army Corps Association. For services to ex- Servicewomen.

Medals stolen

"PRICELESS" military medals burgled from a house in Hartley Wintney belonged to the dad of the victim.

Jewellery was also stolen from the West Green Road home on June 9 between 9am and 5.30pm.

The medals, a CBE, OBE and CB were all engraved with Rear Admiral CWH Shepherd.

They are of great sentimental value to the victim as they belonged to his father.

Transparency calls

CAMPAIGNERS called for better NHS transparency outside an NHS England meeting on Tuesday.

The Basingstoke members of national campaigning group 38 Degrees gathered with placards and leaflets outside the Ark Conference Centre in Dinwoodie Drive from 9.45am.

Concerns raised over tree felling

RESIDENTS are worried trees are being felled in Sherfield-on-Loddon to make way for travellers.

A court injunction was granted on Friday to stop more trees being chopped down by landowners at the Dixon Road site north of the Taylor's Farm development.

Basingstoke and Deane Borough Council sought an injunction at Winchester County Court after dozens of pine trees were hacked down.

Residents raised their concerns to the council over the past two weeks.

On Monday, Basingstoke MP Maria Miller said: "This woodland area has been devastated by the unlawful felling of large pine trees on the site, and I have already contacted the Forestry Commission about the need to take action against this contravention of the Forestry Act.

"Local residents are clearly concerned about further activity at the site, and I welcome the Borough Council's swift action in getting an injunction to prevent any more illegal work on the land, or use for residential purposes.

By **Katriona Ormiston**
news@basingstokeobserver.co.uk

"I am in touch with the Borough Council and the Basingstoke police to see what further protection is available to residents if the new owners of the land continue to flout the law."

Following the court injunction on Friday, the council's corporate director, Karen Brimacombe, said: "Residents' concerns have focused on the possibility of this land being used by the new owners as a traveller site.

"Given the size and scale of the site and the potential impact from a change of use of the land for whatever purpose, the judge granted the injunction. This injunction forbids anyone from doing anything on the land that would need planning permission. Any evidence that anyone had breached this order could result in them being sent to prison by the county court.

"Should members of the public have evidence that the order has been breached, they should contact the council."

Ballerinas enjoy Anvil experience

By **Katriona Ormiston**
news@basingstokeobserver.co.uk

YOUNG performers put on their dancing shoes to star as the curtain raisers for a professional musical ballet at The Anvil on Saturday.

The seven girls from Basingstoke Academy of Dancing performed a routine kicking off The Mousical at 11am on stage at the arts centre in Churchill Way.

The curtain raiser acted as a warm-up to the seven to 11-year-olds who have also been cast in in The Anvil's 2014 Christmas pantomime Cinderella.

Darcy Drummond, nine, Amelia Bywaters, nine, Lily North, 11, Harriet Sentance, seven, Ella Paterson, 11, Ella Warwick, 10, and Naomi Clifton, nine, will all also play their part in Cinderella.

They were all chosen after auditions for the pantomime three weeks ago.

Jane Warwick, mum of Ella, said: "They thoroughly enjoyed it, and being on stage. They danced really well.

"They were introduced to the crew and the cast, who said the girls were very professional for their age, they were really impressed."

Ella has been dancing since she was five years old and performs with Basingstoke Academy of Dancing, based in Joule Road.

Principal of the academy Tanya Schipelbaum said: "They were very excited.

"It was nice for them to be involved in a professional dance performance."

Grace Sweet was also picked for the pantomime, but could not make last Saturday's performance.

Writer and director of The Mousical Miranda Larson said: "The girls were wonderful.

"We were delighted they were able to take part."

The Mousical, which ran from Friday until Sunday, was based on the latest Angelina Ballerina television series and the popular 1980s books by Katharine Holabird.

Miller praises charity for its positive work

JOBSEEKERS met with Basingstoke MP Maria Miller at The Salvation Army charity on Monday to find out about a project to get people into work.

Staff and volunteers run the programme, called Employment Plus Local.

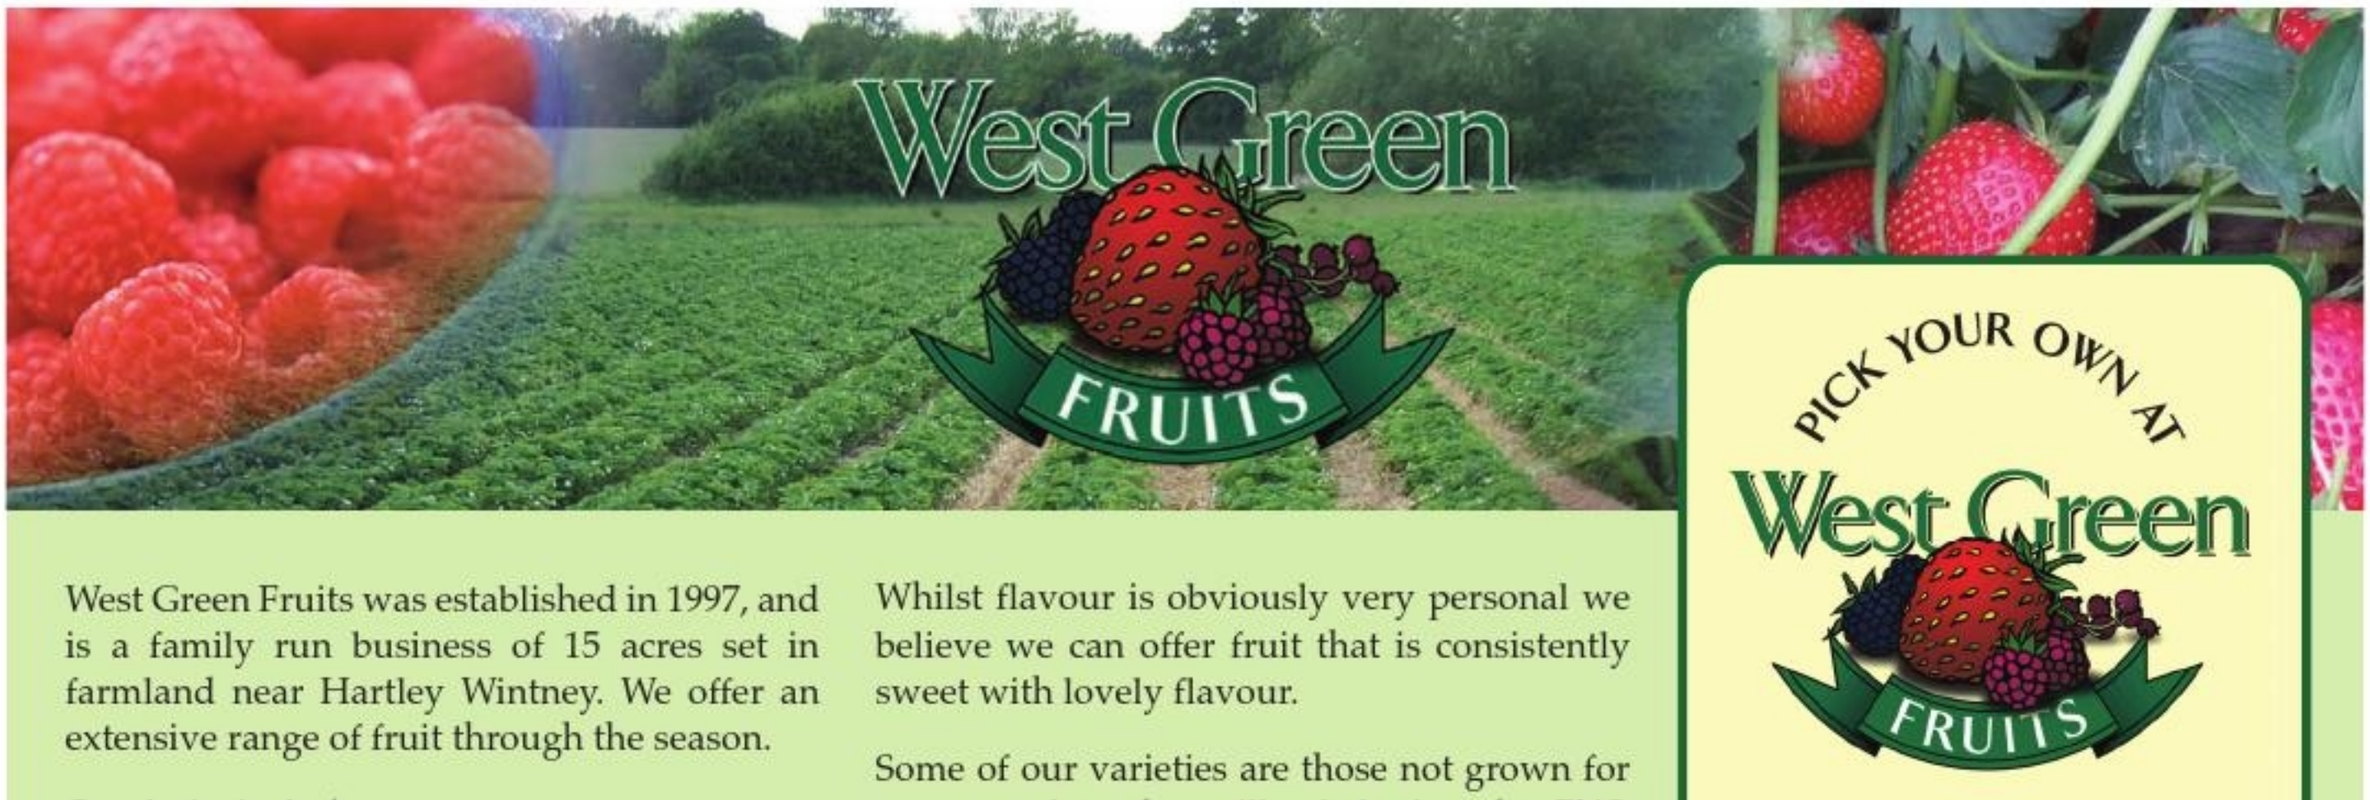
Mike Beeston, who is in charge of the project in Basingstoke, said: "Unemployment is one of the main causes of poverty and social exclusion in Basingstoke.

"As a Church and charity based in the town, we wanted to address this as we care about every aspect of a person's welfare.

He added: "Peoples' lives are transformed when in employment, and this is an active way in which we could offer a friendly face as we help people find work."

Mrs Miller said: "Many people find it tough to get back into employment after a sustained period out of work and need the help of The Salvation Army.

"This project is providing positive support to people going through this difficult experience, and I'm pleased to see that this centre is offering guidance, the right facilities and support to get people into a job that matches their skills."



West Green Fruits was established in 1997, and is a family run business of 15 acres set in farmland near Hartley Wintney. We offer an extensive range of fruit through the season.

Our fruits include:
Strawberries, Raspberries, Rhubarb, Gooseberries, Tayberries, Tummelberries Black & Redcurrants, Blackberries and Summer vegetables.

When choosing the varieties of fruit we are going to grow we try to pick those that in our opinion have the best flavour.

Whilst flavour is obviously very personal we believe we can offer fruit that is consistently sweet with lovely flavour.

Some of our varieties are those not grown for mass supply and so will only be found at PYO outlets and in gardens.

We are open from early June to late September.

Festival of football

FOOTBALL fever is hitting Alton at the town's festival next month.

The Alton Community Festival on July 5 is adopting a Brazilian theme to tie in with the football world cup.

Schoolchildren will showcase a samba performance, sports clubs will host taster sessions, and arts and crafts will be on offer at Alton College in Old Odiham Road.

A five-a-side football tournament will kick-off in the afternoon before a World Cup quarter final match is screened at the event.

Record attempt

MORE than 2,000 ukulele players have signed up to play their way into the world record books.

Hampshire Music Hub is organising a world record attempt to beat Japan's band of 2,134 ukulele players in Kanagawa in 2012.

So far more than 2,150 ukulele players have signed up, but another world record bid in America is being attempted later this month.

Jill Larner, head of Hampshire Music Service, said: "The response to our initial appeal has been excellent and I am grateful to all those who have signed up so far. I have just learned that an American ukulele world record attempt is taking place later this month, so we are going to need all the help we can get to be in with a chance of bringing the world record to Hampshire."

Ukukele players are being asked to sign up for the effort at Southampton Football Club on July 18 from 1.30pm to 3pm.

Revamp work to begin at hospice

By **Katriona Ormiston**
news@basingstokeobserver.co.uk

BUILDING work to revamp a children's hospice near Basingstoke is due to start next month.

Major £4m building work to refurbish Naomi House, in Sutton Scotney, is due to start in July for work to finish in April 2015.

Earlier this year the charity announced plans to revamp the 17-year-old building.

New rooms for music therapy, arts and crafts, and messy play are to be built.

The children's bedrooms are also to be made bigger and family space is to be increased.

A new bridge will link Naomi House and Jacksplace together so the two hospices can share the updated hydrotherapy pool in Jacksplace.

• Work to revamp Naomi House is due to start next month

Deputy chief executive at Naomi House at Jacksplace, Mark Smith, said: "This marks another very important milestone in our journey towards creating a hospice building which fully meets the needs of the life-limited children and families we care for from across central southern England.

"These families deserve the very best environment in which to receive the invaluable care and support provided by the nurses, carers and support teams at our hospice.

"We look forward to Reside beginning their major programme of work and bringing us ever closer to that goal."

Preparatory site work is underway.

Over the last few weeks the hospice's old hydrotherapy suite has been demolished.

Meanwhile, temporary bedrooms for the children have been built at neighbouring young adults hospice Jackplace.

Romsey based firm Reside Construction has been named at the main contractor for the job.

Kevin Hayter, of Reside Construction, said: "We are both proud and privileged to have been selected by Naomi House and Jacksplace to construct the next phase of this very important facility.

"We are already working hard to ensure that the project goes as smoothly as possible when the site works commences in July and look forward to the challenge of providing a wonderful new addition to this special place."

Naomi House and Jacksplace need to raise more than £4million on top of £7m yearly running costs to fully refurbish the hospice.

Van taken after driver is pulled from his vehicle

A ROBBER dragged a man out from behind the steering wheel of his van before driving off with it.

The 49-year-old victim was parked in his grey Ford transit in Hill View Road, off Winchester Road at about 2.30am on June 9.

The robber, who was wearing a black and white scarf around his face, pulled the driver's door open and demanded the victim get out.

When he refused he grabbed the man by his arm and pulled him out the van before the victim fell to the floor.

The offender then drove off in the van, down Hill View Road and turned left onto Winchester Road.

The victim suffered cuts and grazes and an injury to his ankle from the fall

Police Constable Craig Bannerman, said: "I am appealing for anyone who witnessed this incident, or anyone who may have become victim of a similar incident but has not yet reported it, to come forward and speak to us.

"Were you in the area at the time of the incident?

"Did you see a van being driven off at speed?

"I would also like to speak to anyone who may have seen a gray transit van parked in their area, or anyone living nearby who has their own CCTV."

Anyone with information is asked to call PC Bannerman via the police 101 number. Alternatively, call Crimestoppers on 0800 555 111.

Cops search for men after 'strange' incident

By **Katriona Ormiston**
news@basingstokeobserver.co.uk

POLICE have released an e-fit of a man they want to talk to after a suspicious incident in Cranbourne.

A dog walker parked her van near the underpass at the bottom of Cranbourne Lane just after 8pm on June 2.

As she got out of her van to get her dogs ready for a walk she heard a man say "Oi, she's still here".

When she looked up she saw a man standing in front of her looking at the van, and then another man who opened the drivers side door and had his hands on the steering wheel.

When the dog walker spoke to the man he let go of the wheel and both the men walked away off Cranbourne Lane through the underpass.

Police Constable Craig Bannerman said: "This was a strange incident.

"I am appealing for anyone who was in the area at the time and may have seen the man in the e-fit image along with another man, to get in touch."

Both men are believed to be in their early 20s.

Anyone with information is asked to call police on 101.

Classes prove to be popular

MORE than 400 elderly people take part in weekly exercise classes, a year after the programme launched.

The Steady and Strong classes aim was to reduce the number of falls and fractures in people over 65 through keeping people active.

They were launched in Basingstoke and across Hampshire last year by Hampshire County Council's older people's well-being team and Southern Health NHS Foundation Trust.

One member of the Alton class, who didn't want to be named, suffered a serious spinal injury some years ago.

They said: "The class started very gently at first, gradually building up strength and stamina.

"This has improved my ability to move and walk better, to sit and stand and most of all to get up from a fall properly - something which has been of benefit to me on three occasions.

"My balance has improved and I can now shower and dry without help. This may seem a trivial thing, but for me it is a huge achievement.

"I have met some lovely people in the group and consider them friends."

They are held in village halls, community centres, leisure centres and sheltered housing buildings.

There are now over 40 classes running across the county and 15 new instructors have been trained in Hampshire to run falls prevention classes.

Liz Fairhurst, Hampshire County Council's executive member for adult social care and public health, said: "Steady and Strong classes have proved very effective in helping people regain and maintain their confidence; this is so vital as older people who are not physically active are less able to do every-day tasks and so are more likely to need support and care. Exercise is one of the most important factors in preventing a fall."

Falls and fractures in 65 and overs account for over 4 million hospital bed days each year in England, according to the charity Age UK.

Exercise programmes have been shown to reduce falls by as much as 54 per cent.

Anyone interested in the classes can ask their GP or call Hampshire's falls prevention and physical activity co-ordinator Sophie Jevons on 01962 846605.

Joe's set for The Anvil

FORMER X Factor winner Joe McElderry makes his first visit to Basingstoke next Friday, as part of his nationwide 'Set Your Soul Alive' tour.

By **Adam Flinn**
adam@taylornewspapers.co.uk

Joe, who will perform at The Anvil, shot to fame when he won the sixth series of the hit ITV talent show in 2009, with his debut single 'The Climb' reaching number one in the UK chart.

He has released four albums since then with 'Wide Awake' in 2010, 'Classic' and 'Classic Christmas' coming out in 2011, and 'Here's What I Believe' in 2012.

And Joe is hoping to have his fifth record ready by the end of the year.

"I haven't had a lot of time, but I've been writing a bit of material, and we're going to write a little bit more as we wind down the tour," said Joe.

"When I feel like I've got a good set of songs and the direction I want to go into, then I'll do it straight away.

"However the tour's been going great. It's been a hectic schedule but it's genuinely been so much fun.

"It's a very different show I think from what people might have seen before at my concerts."

Away from music, Joe was crowned the winner of Channel 4 skiing series The Jump earlier this year, after joining as a late replacement to socialite Henry Conway.

Joe had been skiing in Austria at the time, and won the competition in February this year after jumping 17.5 metres off the K40 ski jump.

"It was hard and it was painful, but it was absolutely one of the best experiences I've ever had," he added.

"I wasn't supposed to be part of the show, but Henry broke his hand, and they didn't have time to train anyone to ski, because obviously those guys had been out there for two months.

"So I was planning to have two months off before the tour started, but I had a break in my schedule and said I'd do it."

Next Friday's show starts at 7.45pm. For more details, go to anvilarts.org.uk.

WIN tickets to see the Battle Proms at Highclere

THE perfect summer celebration returns to Oxfordshire on Saturday 12 July, as the ever popular Battle Proms makes its 10th annual appearance at Blenheim Palace, before heading over to Highclere Castle for another spectacular night of entertainment on Saturday 2 August, their 14th year at this iconic venue.

In addition to a full orchestral programme of sublime classical music, this unique open-air picnic concert features a carefully choreographed and highly emotive Spitfire aerial display and stunning firework finale, all set in the stunning grounds of 2 of Britain's most celebrated stately homes.

This year the thrilling mounted skill-at-arms display by an expert cavalry troop will be carried out in WW1 regalia to mark the 100th anniversary of the start of the First World War and, in an exclusive addition to the Blenheim Palace Battle Proms, 150 re-enactors will participate in a skirmish as part of the Road to Waterloo programme of events in the build up to 2015.

And of course there will be a rousing rendition of the Battle Proms signature piece – Beethoven's Battle Symphony – performed as he intended with the full complement of 193 live firing cannon providing a thunderous percussion!

Closing date:
Friday, July 4, 2014

Widely regarded as the most exciting summer proms concerts in the country, these are events that fans return to year after year, to enjoy a romantic evening as a couple, a memorable night out with friends or for a significant celebration. For more information, or to book tickets, visit www.battleproms.com or call on 01432 355 416.

We have 3 pairs of tickets for the Highclere Castle concert and you could be in with a chance of winning one. All you have to do is answer this simple question:

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

An amalgam of energy

ONE of Shakespeare's shortest plays, The Comedy of Errors, is performed by an all-male cast at Bartons Mill next weekend.

By **Adam Flinn**
adam@taylornewspapers.co.uk

It is performed by Gloucestershire's acclaimed Festival Players, who will be staging the show alfresco at around 40 venues nationwide.

Just seven actors will be involved in the show, which will require them to play multiple roles, necessitating in quick costume changes.

This will be artistic director Michael Dyer's 10th all-male production in a row with the Players.

He said: "It is a brilliant farce of mistaken identities and we will perform it very much as a colourful, entertaining romp.

"It is of course totally authentic. We are following in the footsteps of Shakespeare's own Globe Theatre when all roles were taken by men.

"The Players have built a reputation for strong, all-male shows over the past decade."

The Comedy of Errors is known for being one of Shakespeare's most farcical comedies, using slapstick and mistaken identity to create the humour.

It tells the story of two sets of identical twins that were accidently separated at birth, and who try to track each other down.

Making Shakespeare more accessible is one of the Players' key aims, so they ensure their productions are kept relatively short.

Michael added: "Our shows are never longer than two hours and we always try to make them crystal clear, and an amalgam of energy, entertainment and colour.

"We set out to take audiences of all ages on a journey and make them feel very much part of the production."

The show takes place on June 29, and starts at 5pm at the Bartons Lane venue in Basingstoke.

Market update by Sansome & George Managing Director, David G Sansome

With a sequence of Bank Holidays and improving weather, the property market remained active with good levels of viewings and offers in both sales and lettings.

There is undoubtedly a "structural issue" developing in the market with demand continuing to outstrip supply and, in turn, creating upward movement in prices and increased urgency amongst buyers keen not to "miss out" on a potential purchase.

You could see this as good news if you are selling but it will, at some point, have to adjust unless the stock of property for sale starts to match the levels of demand.

Government intervention in the market through Help 2 Buy has boosted buyer confidence and led to a small increase in new home volumes, but it will require an increase in the numbers of properties coming to the market in the second-hand sector to ensure that the market can remain as positive as it has and maintain a sensible balance between price growth and volume.

Many potential sellers are waiting until they find a property before committing to placing their properties on the market. This is, in reality, part of the problem rather than the solution.

This will enable the maximum price to be achieved free from pressure and also place the seller in a better buying position. Our experienced team of valuers will be please to advise you about your personal situation.

One major change that will impact on the market is the introduction of actions following the Mortgage Market Review. These will undoubtedly make obtaining a mortgage a longer process with many more criteria needing to be met and may have the effect of slowing sales and dampening down activity in the short term.

I am sure that the changes will soon become the "norm" but the need to take professional advice when seeking a loan has never been more critical.

The lettings market is seeing many landlords extending their portfolios and are confident about the future whilst tenants are generally becoming a little more choosey over the quality of property they decide to rent. Values are steady although yields as a percentage have fallen as house prices rise.

Many experienced tenants are specifically seeking well managed property rather than properties where the landlords are directly looking after the management and rent collection themselves as they know that any issues will be resolved easily and professionally by the agent.

With news about letting agent fees in the headlines and all letting agents about to be required by the Government to be a member of an approved redress scheme, this emphasis on using a professional agent is likely, and quite rightly, to increase.

As always, the team and myself are here to assist with any questions you may have regarding selling, buying, letting or renting and very much look forward to speaking to you.

To discuss your home sale or purchase, please contact your nearest Sansome & George office or the Head office in Basingstoke on 01256 807 111.

SKYACTIV technology the reason behind popularity, says Japanese car manufacturer

New Mazda3 proves to be a hit

THE petrol version of the new Mazda3 has proved a bigger hit than expected.

The Japanese car manufacturer demonstrated the car's eco friendly attributes at a recent car show in Silverstone.

Its SKYACTIV technology combines low carbon dioxide emissions with fuel economy.

The car company claims it is the reason behind high demand for business drivers.

Due to the success at the recent show, the Japanese giants are expecting a growth of around 30 per cent in its sales in 2014 to 2015.

Mazda says demand for the model has far exceeded expectations.

Head of fleet Steve Tomlinson said: "Miles per gallon from the all-new Mazda3 SKYACTIV-G petrol engines is phenomenal and as average company car mileage reduces many drivers do not require a diesel engine model. Furthermore, businesses and drivers benefit from the lower pump price of petrol.

"Many companies link vehicle choice lists to a monthly lease rate allowance and drivers typically select models that deliver the best value for money.

"The combination of power, performance and specification delivered by the Mazda3 petrol engine range twinned with low CO2 and top-notch MPG is proving very attractive when factored against a monthly lease rate, which reflects annual mileage and excellent residual values."

The Mazda3 is in Hatchback and Fastback saloon models.

Tomlinson added: "The Fastback is proving popular amongst company car drivers who prefer coupé-like styling in a mid-sized four-door saloon.

"There is no doubt that diesel-powered Hatchback derivatives of the all-new Mazda3 will remain the most popular among company car drivers. However, the arrival of SKYACTIV technology in the all-new Mazda3 in both Hatchback and Fastback bodystyles is changing the market allied to the lifestyles of today's employees."

Bison snap up Rounding as Standing leaves

BASINGSTOKE Bison have made their first new signing ahead of the new season, with forward Grant Rounding joining from the Bracknell Bees.

The 23-year-old started playing ice hockey for the under-10 Bison team, but moved down the road to Bracknell aged 14, where he spent the rest of his junior career.

He made his English Ice Hockey Premier League debut for the Bees in the 2010/11 season, and last year scored 11 times on his way to 19 points.

"I started watching ice hockey in Basingstoke and always wanted to play for the team," said Rounding.

"It feels somewhat surreal it is finally going to happen. For me it is like playing for my hometown team.

"I can't wait for the season to start."

Player/coach Doug Sheppard said: "Grant is a player who gives 100 per cent every shift and fits in well with the Bison work ethic.

"I see him scoring 15-plus goals for us this season and he will certainly add some depth to our offence."

Meanwhile, it was also announced that netminder Connor Standing was leaving The Herd.

Sheppard added: "I, and everyone associated with the club, would like to thank him for his efforts over the past three seasons, and wish him all the best in his future endeavours."

Le Mans dream ends after gearbox issue

By **Adam Flinn**
news@basingstokeobserver.co.uk

A GEARBOX problem ruined any chance of Basingstoke's Archie Hamilton finishing on the podium at Le Mans 24 Hours, with his team finishing 12th overall.

Hamilton and team-mates Johnny Mowlem and Mark Patterson had qualified their Ferrari 458 Italia 11th in the GTEAm class last week.

Following a strong start, Hamilton was able to move up to second position in his first double stint behind the wheel.

But a gearbox problem meant an extended pitstop for the Ram Racing team, costing them around 15 laps to the leaders and dropping them right down the order.

They completed 319 laps in total, 20 less than class winners Gianmaria Bruni, Giancarlo Fisichella and Toni Vilander.

The overall race was won by André Lotterer, Benoit Tréluyer and Marcel Fässler in the Audi R18 LMP1 car, completing 379 laps in the process.

"The car felt really good and I had a really solid run in second place," said Hamilton.

"Managing traffic was the most challenging part of the race because of the different classes, but I didn't take risks to make sure we could finish the race.

"To finish the race is something that was important to the team as it's their first Le Mans. We've achieved that so I'm happy to have been part of that.

"My grandfather won on his third attempt so I'm hoping that it will be third time lucky for me too and next year will be the one."

Hamilton returns to action this weekend in the International GT Open championship, with rounds five and six being staged at the Spanish circuit of Jerez.

He and team-mate Diederik Sijthoff are currently 23rd in the standings, after a tough start to the season.

Sport Bites

'Stoke remain unbeaten with derby victory

BASINGSTOKE and North Hants were the winners in their derby match against Hook and Newnham Basics, winning by 50 runs.

Played at Basingstoke, the hosts had set a relatively low target of 143, but Basics could only score 93 in reply.

It means that Basingstoke remain unbeaten from their opening five games in their bid to win the Southern Electric Premier Division 1.

Elsewhere, Hartley Wintney won their match against Havant 2 by four runs in a comfortable victory.

Havant had set a target of 128, and it took Wintney just 20.2 overs to post their final score of 132-3.

Narrowly beaten

A CLOSE match saw Basingstoke and Mid Hants Athletics Club narrowly beaten by Southampton in the latest round of the British Athletics League National Division 2.

Both clubs were level on points going into the final event, the 4x400m relay, which saw the Southampton team win ahead of Basingstoke's quartet in third.

Despite the result, Basingstoke remain top of the league standings with 15 points after the first two meetings.

Dover up first for Croker's men

THE fixture list for Basingstoke RFC has been announced, as they prepare for a season in the London 1 South after being relegated earlier this year.

'Stoke start their campaign at home to Dover on September 6, with the reverse fixture coming at the end of the season on April 18 next year.

Three friendlies are being planned for August, with an interclub match on August 16, and games against Chichester and Old Elthamians on August 23 and 30 respectively.

Rose falls short in US Open title defence

JUSTIN Rose put in a strong performance in the US Open last week, but was unable to defend his first major title at the Pinehurst course in North Carolina.

The North Hampshire golfer recorded rounds of 72, 69, 70 and 72 to finish in a tie for 12th, with a score of three over par.

Rose had got off to a bad start as he bogeyed four of his first nine holes, but three birdies limited the damage to a two-over round of 72.

The second round went better for Rose as he managed to shoot one under par, scoring three birdies and two bogeys during the day.

A double bogey on the ninth cost Rose the chance of a second successive under par round on Saturday, but he was able to post a level par score of 70.

The final day was much more eventful for Rose.

He eagled the fifth and backed it up with three birdies, but seven bogeys left him two-over for the day, and three-over for the tournament.

Former World No.1 Martin Kaymer of Germany was the overall winner.

Kaymer dominated the first two days to get to 10-under, holding on to win his second major title by eight shots.

HOPES ARE HIGH FOR NEW STADIUM

Application for ground is ratified by borough council

By James Richings
news@basingstokeobserver.co.uk

BASINGSTOKE Town are edging closer towards securing a new stadium.

The Skrill South club are planning on moving into a brand new stadium at the proposed Common Road site.

The Camrose Ground has been the home of the Dragons since their formation back in 1896, but in March 2012, the club submitted a planning application to Basingstoke and Deane Borough Council for a potential move to Common Road.

The club released an official statement earlier this week.

It said: "Basingstoke and Deane Borough Council have now ratified the commercial agreement for the redevelopment of the current Camrose Ground and the new purpose-built stadium."

The latest news about the stadium plans has pleased chairman Rafi Razzak.

He said: "This is a major step for us in the right direction.

"It is the culmination of years of consultation and evaluation of our plans and dreams to move to a new stadium.

"A lot of work has been carried out by a lot of people.

"We are now more than ever excited and confident that our plans will be realised.

"We believe we have considered all the aspects and are confident in our application."

Mr Razzack continued: "Above all, this is a community stadium and hopefully we will all be proud of it and we shall see Basingstoke Town Football Club have it as it's home for many years to come."

The Camrose currently has a capacity of 6,000, but only has 650 seats in the ground, averaging 312 fans per home game.

The Dragons have also confirmed their pre-season fixture schedule for the summer.

Basingstoke will play friendlies against Winchester City, Yeovil Town, Reading U21, Hungerford Town, Newport County, Fleet Town and Woking in the next six weeks.

Basingstoke finished 14th for a second consecutive season last term, but, finished the campaign on a high by winning the Hampshire Cup, beating Havant and Waterlooville 3-2 in the final.
